### SEIAPI secures funding for Pacific Regional Sustainable Energy Training Centre (Fiji)

Geoff Stapleton (SEIAPI) with Susan Sela (USP) and Mervyn Lepper (USP) at the proposed training centre site

SEIAPI is pleased to announce it has received funding from an anonymous funder to establish the **Pacific Regional Sustainable Energy Training Centre** at the *Statham Campus* of the *University of the South Pacific (USP) Pacific TAFE* in Suva, Fiji. USP Pacific TAFE is already offering online solar courses. The Pacific Regional Sustainable Energy Training Centre will include a new dedicated building which will allow USP Pacific TAFE to conduct face to face courses and also practical training courses for those undertaking the online training.
